Here it is. NOTE: Jack has not yet said this is okay to send to Jim, but I'm leaving shortly and I am hoping Andrea will have a chance to catch him over there.

Andrea, do you know if Jim is coming in tomorrow? I think he'd like to get it tonight though. Andrea is in the office.

Linda,

Are you in the office?

Andrea?

I'm waiting for approval from Jack to send you guys this latest draft, but he slipped out on me and has gone over there for the Atrazine meeting. Then I think there is another marijuana session (heh,heh☺). [note to the IG or whoever may be reading my emails...just kidding!]

OPA is asking for the response in the AM so they can review. Jim needs to review it before we send it over there.

Do you have a revised you can send?

Thanks very much.

Linda

P.S. Reporter wants it "this week."
